**FIRST FIT™**

guided prosthetics delivery system

# Regain your **confidence**

Unlike traditional restorations, **FirstFit Guided Dentistry** enables your dentist to provide you with an improved experience and maintain your existing healthy teeth. FirstFit Guided Dentistry provides you with custom fitting, natural and lifelike teeth.

This innovative new system uses digital technology and state-of-the-art equipment to provide you with the best possible experience in the dental office.

Receive your final restoration in a single visit

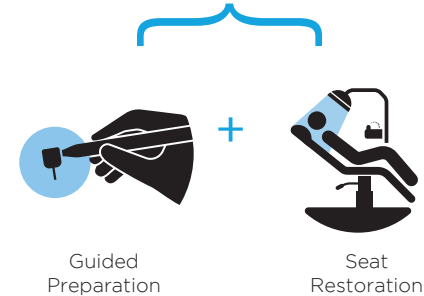

Conserve more natural tooth structure

Long lasting and safe solution with no painful implants or bone grafting

# Minimally invasive **technology**

## Single-Visit Dentistry

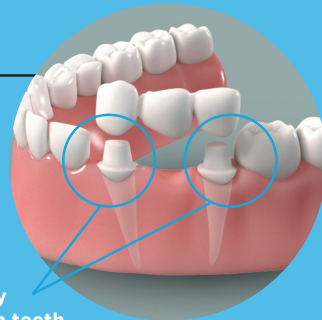

There is now a solution that fits into your busy lifestyle when you choose the FirstFit Guided System. You no longer have to commit to multiple appointments, worry about temporaries breaking or falling out, and you will have a beautiful, natural looking smile **in a single visit**.

### Traditional Bridge Delivery

- Grinds down two healthy teeth
- Added time in dental chair
- Antiquated technology
- Requires temporaries

Completely grind down teeth

### FirstFit Guided Bridge Delivery System

- Minimally invasive
- Quick procedure
- Innovative technology
- No temporaries

Saves healthy tooth structure

Systems also available for veneers and crowns (coming soon).
